Horoscope

A horoscope is a personalized astrological chart or diagram representing the positions of the Sun, Moon, planets, and other celestial bodies at the exact moment of an individual's birth.

Nakshatra

Nakshatras, or lunar mansions, are a fundamental aspect of Vedic astrology, dividing the zodiac into 27 segments, each associated with a specific star or constellation.

Planetary correction

In astrology, planetary correction refers to the practice of adjusting or remedying the influences of planets that may be causing challenges or imbalances in one's life.
